

# AY25 PROGRAM ASSESSMENT REPORT

v2026.1

## Tracking Data

|                                                                              |                                                   |
|------------------------------------------------------------------------------|---------------------------------------------------|
| CIM code (e.g., ME-CM)                                                       | BS-DS                                             |
| Program Name                                                                 | Bachelor of Science in Data Science               |
| Assessment Year                                                              | AY25                                              |
| Program Assessment Coordinator                                               | Gorjana Popovic (report prepared by Robert Ellis) |
| Year of Current Assessment Plan                                              | AY25 (Fall 2024-Spring 2025)                      |
| No Assessment This Year <b>per Plan</b>                                      | <input checked="" type="checkbox"/>               |
| LO(s) Assessed                                                               | N/A                                               |
| Presented at program authority meeting date:<br><i>Please attach minutes</i> |                                                   |

Following the current Assessment Plan, no learning objectives are assessed for AY25 because the first cohort of students began in Fall 2023 (AY24). The first Assessment Report with assessed learning objectives will be filed in Fall 2026 for AY26 covering Fall 2025-Spring 2026.
