

PROGRAM ASSESSMENT REPORT

v2026.1

Tracking data

CIM code	BS-EPHY
Program name	B.S. in Engineering Physics
Assessment Year	2024/2025 (AY 2025)
Program assessment coordinator	Carlo Segre
Year of Current Assessment Plan	AY 2024
No assessment this year per plan	☒
LO(s) assessed	N/A
Presented at program authority meeting date: <i>Please attach minutes</i>	

Summary

The Engineering Physics program is a new bachelor's program, which became active in early 2025. The first admissions cycle where this program is active will be Fall 2025. As we have no students in the program currently, there is no assessment data to collect.
