Description of findings

- We find evidence that the overall learning objectives are well achieved.
- However, the sample size is too small, and readers should exercise caution when interpreting the results.

Continuous Improvement, CI, plans

Prior CI plan impact

Not applicable because this is the first year to assess this program.

This cycle's CI plan

- We plan to further simplify the common goal, as planned by the Dean of the Stuart School of Business.
- We plan to stagger assessment of all required courses, including finance courses, at least once every 5 years.
